

Workshop on Inner Speech and Cognition

with Ben Alderson-Day

March 18th, 2020

12,30 PM: "Inner Speech - what is it good for?" (Room 2.5)

5 PM: "Silence and meaning: Examining assumptions about language and cognition in autism" (Room 3.5)

Venue:

Centro de Investigación Micaela Portilla
Universidad del País Vasco (UPV/EHU)
Justo Vélez de Elorriaga Kalea, 1
01006 Vitoria-Gasteiz

Dr. Ben Alderson-Day is Assistant professor in the Department of Psychology at Durham University. He is an expert on the relations between cognition and language in typical and atypical development.

Organised by Marta Jorba (UPV/EHU) & LindyLab, supported by a 2019 Leonardo Grant for Researchers and Cultural Creators, BBVA Foundation
